Dear Krefelderinnen and Krefelder, dear guests!

This year our city has already seen a variety of exciting Hockey events. On the grounds of the traditional club CHTC, the national and international elite of a fascinating sport has been taking action ever since early spring.

From the „Final Four“ of the German Championship to international games of the Hockey Pro League, there have been numerous high-profile matches - and thousands of spectators have made their way to the city forest to watch the games.

For the WMH European Masters Championship in August, 35 teams from 10 different nations will travel to Krefeld, with around 700 players attending the event. The participants might already be in their 50s, yet great performance and sportsmanship are certainly not a matter of age. Either way, a great international sport event awaits us, bringing together in our beautiful city people from all across Europe.

The CHTC site, idyllically situated on the edge of the city forest, offers outstanding conditions for the sportive as well as the social part of the event. Krefeld will proudly present itself at its best, and the new top-notch pitch makes the heart of every hockey player beat faster. Last but not least: I am convinced the CHTC crew in charge will do everything humanly possible to be great hosts and make sure all participants will have a memorable and lovely stay.

I'm looking forward to another great hockey event in our sports city Krefeld and wish all teams fair and exciting matches.

Yours sincerely

Frank Meyer
Mayor of Krefeld

Dear Masters-Players, dear Hockeyfriend!

The German Hockey Federation is proud to have the Crefelder Hockey and Tennis Club as a member club with such a lot of initiatives. Recently the club organized the German Final Four and matches of the FIH Pro League. In addition to that the CHTC pointed out that it has a focus on historic and successful events in its club history:

- **2006 the unofficial World Cup M45 at the same time of the FIH World Cup in Monchengladbach**
- **2011 the European Masters Cup M40, M45, M50 and M55**
- **2017 the IMHA Masters Indoor World Cup W40, M40 and M50**

The European Masters Championships 2019 should be a motivation for all players to continue with Hockey after reaching the Masters Age!

We wish the organizers, all teams, officials and umpires a successful tournament with a lot of fun and new or refreshed friendships

All the best

Dear Friends in Hockey!

The Crefelder Hockey- and Tennis Club warmly welcomes you to the European Masters Championships 2019 to the pitches of the Gerd Wellen Hockey facility. After the IMHA Masters Indoor World Cup in 2017 it is a great honour for us to again welcome so many teams from all over Europe and from the US at Krefeld.

We have a brand new blue Polytan surface on our Tokyo pitch. This is the first of its kind worldwide and the same the Hockey matches of the Tokyo Olympic Games will be played on. This will provide a perfect setting for top-level Masters Hockey.

Over the last months we have had a lot of big national and international Hockey events like the German Final Four and ten matches of the FIH PRO LEAGUE. So we had some opportunities to train our abilities as a host. Now we are looking forward to what we love most: Masters Hockey.

13 years ago the German Masters movement started in Krefeld when our club hosted an unofficial Men over 45 World Cup alongside the Men's World Cup in Moenchengladbach. With these memories of a beautiful summer event in 2006 it is very special for us to see what has evolved since that time: We now have 35 teams in four tournaments of the age groups 50+ and 55+. And we are so happy that it is not only men's event, but that we are "equally amazing" with nearly equal numbers of women and men teams.

We are confident that these tournaments will again prove what makes international Masters Hockey special and outstanding in the world of Hockey: There will be high performance sport on the pitches and a unique spirit of friendship off the pitches and during our social events. As chairman of our club and at the same time as players I am looking forward to meeting ambitious opponents and old friends in one. I do hope all of you will enjoy a great time in Krefeld.

Have fun, play hard and stay healthy!

Cheers

Dirk Wellen

Chairman of Crefelder Hockey and Tennis Club 1890 e. V.

Gute Nachbarn tun was für die Wirtschaft. Ab und zu auch in der Wirtschaft.

Der Fußball kann manchmal eine ganze Region bewegen. Ist bei uns im Grunde genauso, denn an den drei CHEMPARK-Standorten in Leverkusen, Dormagen und Krefeld-Uerdingen arbeiten rund 48.000 Mitarbeiter, die zusammen über eine Kaufkraft von fast 1,3 Milliarden Euro verfügen.
